▼

Contacted	Paid	
7,924	3,465	
Value per Contact	Value per Paying Account	Conversion Rate
£74	£168	43.7%

At £64, 2026-01 had the highest Value per Contact and was 65.24% higher than 2026-04, which had the lowest Value per Contact at £39.
Each account contacted generates £74 while each paying account yields £168 highlighting the conversion gap between outreach volume and actual recovered value
